Bridge Closed to Pedestrian Traffic in Willows

Willows – The California Department of Transportation (Caltrans) announced today that maintenance work will be performed on the State Highway 162 Bridge over Interstate 5 in Willows starting on Monday, April 13 and continuing through Monday, April 20.

During the maintenance work, the bridge will be closed to pedestrian traffic on Tuesday, April 14 through Thursday, April 16 from 8 a.m. to 6 p.m. A shuttle bus will be provided to transport pedestrians across the bridge. The pick and drop off points will be near Nancy's Café parking lot on the west side and near the Denny's parking lot on the East. The wait for the shuttle bus is expected to be 15 minutes. Automobile traffic will be routed over the bridge through a one-way traffic control. The work is necessary to extend the service life of the bridge.

Unexpected weather may prolong or cause the work to be rescheduled. Caltrans urges all motorists to use caution in this area and to "Slow for the Cone Zone".
